*Through Christ we put God first by teaching reaching and loving all!*

# The R E A C H O U T

This is what I wrote in 2006:

What is Natural Church Development? To answer that question we have to look at what we want to accomplish. I would like us to be a healthy congregation. I truly believe that if we are healthy and we are doing what God is calling us to do then God will bless us with growth. God will send people here to be nurtured and fed. What do growing churches really do differently? After a research project which studied at least 1000 different churches on five continents and in 32 countries, large and small churches, growing and declining ones, with a least 30 members filling out a questionnaire, the result were black and white. Christian Schwarz and his team had principles that were proven to be used universally by God to build his church. He came up with eight quality characteristics of growing churches. The research taught them that no church that wants to grow can neglect even a single one of these quality characteristics.

**The first characteristic is Empowering Leadership:**

The leader does not become a guru-leader while the lay people follow the great vision of one person. The leader considers one of their most important tasks is to help Christians develop greater degrees of empowerment, which according to God's plan already belongs to them. The leaders equip, support, motivate and mentor individuals to become all that God wants them to be.

**The second characteristic is Gift-oriented Ministry:**

This characteristic is the conviction that God has already determined which Christian should best assume which ministries in the church. The role of the leaders is to help members identify their gifts and integrate them into ministries. When you live according to your spiritual giftedness you are no longer working in your own strength, but the Holy Spirit works in you. Therefore, even though you are "just an ordinary person" you can accomplish, in the true sense of the word, extraordinary things.

**The third characteristic is Passionate Spirituality:** It is not the way spirituality is expressed, but the fact that faith is actually lived out with commitment, fire, and enthusiasm. The degree of spiritual passion is demonstrably the point that sets growing churches apart from non-growing ones. A church that lives its faith with passionate fervor will experience success with many a method.

**The fourth characteristic is Functional Structures:** Church structures are never an end in themselves, but only a means to an end. Do they fulfill their purpose or not? If not, are they changed or laid to rest. (E.g. programs that don't reach their audience effectively, inconvenient worship service times) Through the process of self-renewal, traditionalistic ruts can be avoided to a large extent. (We have always done it that way vs. trying something different to see if that works)

**The fifth characteristic is Inspiring Worship Service:** People who attend inspiring worship services unanimously declare that the church service is - and for some Christians this is almost a heretical word - "fun."

**The Sixth is Holistic Small Groups:** A system of small groups where individual Christians can find an intimate community, practical help, and intensive spiritual interaction. These are exactly the elements of the biblical concept of holism. In these groups, people do not only discuss Bible texts or listen to interesting explanations by experts, but they apply biblical insights to the everyday issues of the participants. Christian small groups are not a nice, yet dispensable hobby. No, it is the very essence of the true life of the church of Jesus Christ that is worked out in small groups.

**The seventh is Need-Oriented Evangelism:** Share the gospel in a way that meets the question and needs of non-Christians.

**The eighth quality Characteristic is Loving Relationships:** To get this "love quotient" we need to ask questions to find out how loving the relationships are between Christians. For instance, how much time do members spend with one another outside of the official church-sponsored events? How often do they invite one another over for meals or a cup of coffee? How generous is the church in doling out compliments? To what extent is the pastor aware of the personal problems of the lay workers in the church? How much laughter is there in the church? All the characteristic must be there for a church to grow spiritually as well as numerically. In Mark 4:26-29 (NIV) Jesus tells us the following parable: "This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts, and grows; though he does not know how. *All by itself* the soil produces grain-first the stalk, then the head, and then the full kernel in the head. As soon as the grain is ripe, he puts the sickle to it, because the harvest has come." Church growth is something that we human beings cannot make. Our job is merely to stimulate the growth God himself uses to build his church. One of the most important conclusions coming from the research project is the insight that, whenever we think about the subject of church growth, the key is the quality of the church. Quality (as measured in the form of eight quality characteristics) is the root; quantity (increased church attendance) is the fruit. What we do now is work at finding which of the eight characteristic we are the weakest in and then work on improving that quality. The Health team will be starting to look at who we are and what our God given purpose is. Then they will do a survey to find out our weakest characteristic, and come up with ways to improve the quality of that characteristic. Which in turn, will then improve our overall quality. God's peace. This is what the congregation came up with:

### Long Term Goals

1. Complete new buildings, including an Education Wing, to better accommodate our vision for Good Hope by 2013
2. Purchase adjacent properties when available
3. Open the church (air conditioned) for elderly and persons with respiratory problems during summer by 2008
4. Host or support dinners for those in need in the community by 2008
5. Investigate transportation options to assist our elderly and others to attend worship and other functions by 2010
6. Increase worship attendance by at least 75-100 people by 2013
7. Increase staff by adding a Deaconess or Associate in Ministry by 2011
8. Expand youth and children's programs to meet the needs of a growing youth population by 2008

We are going to do this again. I will keep you informed. We need to reevaluate who we are and we need to step back and see what a visitor sees through a visitor's eyes. Please look.

**Core Values**

1. We feed the "Body and Soul"
2. Community involvement/outreach programs
3. Strong commitment to family and children
4. Christian education
5. Inviting and welcoming all people into our fellowship with the Lord
6. Responsible stewards of our resources

DATE	EVENT NAME	COLOR	READINGS	INTRODUCTION
June 2nd	Seventh Sunday Of Easter	white	Acts 16: 16-34 Psalm 97 Revelation 22: 12-14, 16-17, 20-21 John 17: 20-26	It is possible to hear in Jesus' high priestly prayer, a prayer he offered shortly before his death, the petitions of the ascended Lord for his own throughout history—to our day—and beyond. Jesus prays for us. In holy baptism we become believers in God, have our robes washed in the flood of Christ's forgiveness, and receive the gift of life forever with all the saints.
June 9th	Day of Pentecost	red	Acts 2: 1-21 Psalm 104: 24-34, 35b Romans 8: 14-17 John 14: 8-17, 25-27	Pentecost is a day of promises fulfilled. The promised Spirit of God is poured out. The baptized have become "children of God" and "joint heirs with Christ." By the power of the Spirit we have seen the face of the Father in his only begotten Son and been saved by him. Bless the Lord, O my soul.
June 16th	First Sunday after Pentecost/ Holy Trinity	white	Proverbs 8: 1-4. 22-31 Psalm 8 Romans 5: 1-5 John 16: 12-15	"O Lord our Lord, how majestic is your name in all the earth!" Today we celebrate the name of God: holy blessed Trinity. There is no other day quite like this one in the church's year. There is no other god like ours. Praise Father, Son, and Holy Spirit!
June 23rd	Second Sunday after Pentecost	green	Isaiah 65: 1-9 Psalm 22: 19-28 Galatians 3: 23-39 Luke 8: 26-39	This Sunday's texts paint startling pictures of the horrific—the demonic—nature of sin. The church's repeated celebration of the holy communion counters that tragic reality in a continued showing forth of the death of Jesus "until he comes." It is a dramatic declaration of "how much God has done for you."
June 30th	Third Sunday after Pentecost	green	1 Kings 19: 15-16, 19-21 Psalm 16 Galatians 5: 1, 13-25 Luke 9:51-62	We have no good apart from God. That makes our Lord's call to follow him an invitation to freedom. This is freedom to revel in the Spirit's fruits: love, joy, peace, patience, and the like. This is the path of life.

*Ordinary People Doing Extraordinary Things*

Everyday our residents are served by people just like you.

Our Fire and EMS Volunteer Department is asking township residents to consider volunteering to serve as EMT's and/or firefighters. Like many other departments in our area, we are experiencing a shortage of personnel. The only skill you need is a willingness to serve and protect our community.

We ask you to consider serving, and we will supply the training needed to become an EMT and/or firefighter. If you are even slightly interested in helping, join us for an informational meeting – June 9<sup>th</sup> 5-6:30 pm at the Fire Station - 601 W. South Range Rd, North Lima. This is an open house for you to stop and talk to your neighbors that are already serving our community.

Our Department is part-paid volunteer. Once training is completed, you will receive a \$20 per call stipend. Higher stipends are available for advanced training.

In 2018, our department responded to over 900 calls. These are your friends and neighbors that respond when they are needed. If you can help by responding to just a few calls per month, our department and community can become even safer and better!
